VALENTINE

If there were no words No way to speak
I would still hear you If there were no tears
No way to feel inside
I'd still feel for you

And even if the sun refused to shine
Even if romance ran out of rhyme
You would still have my heart
Until the end of time

GREAT BALLS OF FIRE

The Impossible Dream

To dream the impossible dream
To fight the unbeatable foe
To bear with unbearable sorrow
And to run where the brave dare not go
To right the unrightable wrong
And to love pure and chaste from afar
To try when your arms are to weary
To reach the unreachable star
This is my quest
To follow that star
Ooh, no matter how hopeless
No matter how far
To fight for the right
Without question or pause
To be willing to march, march into hell
For that heavenly cause
And I know
If I'll only be true
To this glorious quest
That my heart
Will lie peaceful and calm
When I'm laid to my rest
And the world will be better for this
Oh, that one man, scorned and covered with scars
Still strong with his last ounce of courage

To reach the unreachable, the unreachable

The unreachable star

Yeah, and I'll always dream

The impossible dream

Yes, and I'll reach

The unreachable star

ALL OF ME

DELILAH

I LOVE YOU FOR SENTIMENTAL REASONS

LOVE WILL KEEP US TOGETHER

AT LAST

At last, my love has come along

My lonely days are over

And life is like a song

Ooh yeah, yeah

At last, the skies above are blue

My heart was wrapped up in clover

The night I looked at you

I found a dream, that I could speak to

A dream that I can call my own

I found a thrill to rest my cheek to

A thrill that I have never known

Ohh yeah yeah

You smile

You smile

Oh and then the spell was cast

And here we are in heaven

For you are mine

At last

WITCH QUEEN OF NEW ORLEANS

YOU CAN LEAVE YOUR HAT ON

DO I LOVE YOU

After that sweet summer afternoon
When for the first time, I saw you appear
Dreaming of you, I composed a tune
So will you listen to it, dear?

[Verse 1]

Do I love you, do I?
Doesn't one and one make two?
Do I love you, do I?
Does July need a sky of blue?
Would I miss you, would I?
If you ever should go away?
If the sun should desert the day
What would life be? What would life be?

[Verse 2]

Will I leave you never?
Could the ocean leave the shore?
Will I worship you forever?
Isn't Heaven forevermore?
Do I love you, do I?
Oh, my dear, it's so easy to see
Don't you know I do? Don't I show you I do?
Just as you love me

SHES A LADY

MY GIRL

MY FUNNY VALENTINE

GREEN GREEN GRASS OF HOME

HELP YOURSELF

DAUGHTER OF DARKNESS

IF I NEVER SING ANOTHER SONG

In my heyday

Young men wrote to me

Everybody seemed to have time to devote to me

Everyone I saw all swore they knew me

Once upon a song

Main attraction, couldn't buy a seat

The celebrity, celebrities were dying to meet

I've had every accolade bestowed on me

And so you see

It wouldn't bother me

I had my share of fame

You know my name

Or take another bow

I would get by, but I'm not sure how

Always posing, but you love it all

Though you have to learn to act like you're above it all

Everything I did the world applauded

Once upon a star

Framed citations, hung on every wall

Got a scrapbook full of quotes, I can recall them all

There were times I felt the world belonged to me

And so you see

It wouldn't bother me

I had my share of fame

You know my name

Or take another bow

I would get by, but I'm not sure how

But I'm not sure how

But I'm not sure how
